myself on the community. O, I, you know we only done that...

plan I propose, is this: In the case, we will buy up, or silence...

There is a G—, he will be the most trouble; we must down with the District Bill...

A Citizen of Twiggs. SUNTING, Jan. 30, 1826. engrossed bill to authorize...

Extract from Mr. Randolph's Speech

Mr. R. proceeded to say that he had incurred more actual suffering than most of the Crawford men...

Extract of a letter from Washington, dated March 21.

You will have seen that on the last day of the Panama affair in the Senate, Mr. Randolph made a long speech with open doors...

There is believed to be no doubt of an appropriation for the Panama mission, by an overwhelming majority...

REMARKS ON THE PRESIDENT'S MESSAGE OF DEC. 3, 1823.

From the Nat. Intelligencer of Dec. 3, 1823. The annual Message of the President to both Houses of Congress...

At a future day, we shall state more at large the grounds of this belief. We would not, to-day weaken, by our comments, the effect which this Message is calculated to produce.

From the Nat. Intelligencer of Dec. 8, 1823.

Immediately after perusing the late Message of the President to Congress, we expressed the sentiment which, upon a general view of its features and principles, that State Paper had excited in our bosoms...

District; the bill on the subject of affording relief to the purchasers of public lands in the State of Alabama...

The House of Representatives yesterday resumed, in Committee of the whole, on the state of the Union, the discussion of the Amendments of the Constitution...

SATURDAY, March, 25.

The business before the House yesterday was entirely of a private character. Mr. Johnson finished his remarks on the resolution which he had offered on the preceding day...

From the National Journal.

From the Nat. Intelligencer of March 27, 1826.

But of one thing we are satisfied: that the passage of the late President's Message to Congress of Dec. 3, 1823, which we never were able to satisfactorily expound to ourselves...

[Here follows an extract from President's Monroe's Message.]

It will require more than one reading, even with the additional light we now have, to perceive the whole effect of this official declaration. We perfectly well remember to have read over this passage—once, twice, and again, in the week following the date of it...

but went through Committee, and was ordered to be engrossed and read a third time to-day.

The select committee appointed on the subject of adjournment, made a report yesterday, stating the impracticability of reporting a day for the termination of the present session...

WEDNESDAY, March 29.

The Senate continued in secret session until half past two o'clock, when the doors were opened, and the resolution proposing an amendment to the Constitution of the United States...

Mr. Dickerson spoke in favor of the amendment—He believed that unless some restriction were placed under our present form of government, we should gradually fall into the practice of electing our Presidents from period to period...

SATURDAY, March, 25.

The business before the House yesterday was entirely of a private character. Mr. Johnson finished his remarks on the resolution which he had offered on the preceding day...

A Generous Offer. The Bank of Chillicothe has proposed to loan the canal commissioners one hundred thousand dollars this year...

PRINTING IN AMERICA.

It was not till near sixty years after the first settlement in Virginia and fifty years after the first settlement in Massachusetts that the art of printing was introduced into this country...
