WM J. DAVIS, Clerk.
November 15

Georgia, Coweta County.

THE Grand Jurors sworn, chosen and selected in, and for the county of Coweta, after having discharged the several duties assigned them, would beg leave to make the following presentments:

We present as a grievance, the situation of that part of the Lagrange road leading by Dr. Rees's, commencing at the district line just below Thomas Watson's Saw-mill, and leading towards Newnan, into the place of intersection with the old road—also, that part of the Fayetteville road lying between Newnan and the district line—also, that part of the Fayetteville road passing by Dr. Wellborn's, lying between Newnan and White Oak creek—also, that part of the road leading from Newnan to Franklin, by James Caldwell's, lying between Newnan and Birch creek near said Caldwell's; and we hope that all Commissioners and Overseers of roads will in future be more vigilant in performing the several duties assigned them by law.

We also present as a grievance, the practice of divers persons in cutting meat on the steps of the Court-house, and would recommend that measures be used to prevent such things in future.

We present Sihon House & Co. for keeping a Gambling house in the town of Newnan.

We also present Charles F. Sherburn, for keeping a Gambling house in the town of Newnan.

We would recommend to the Justices of the Inferior Court, the propriety of remitting the amount of the interest charged at 20 per cent. against Thomas Jones, for mer Tax Collector, amounting to \$52 40 cents, as appears from an execution issued against him for balance due as tax not paid over; inasmuch as it appears to us, that he has made all necessary effort to pay over the principal, which has been paid, and having been in default up to the time of settlement, but a short time, while others have remained in default a much longer period without having been dealt with in the same manner, and with as much severity, whose dues remain as yet unsettled and unpaid. We therefore hope that the Justices of the Inferior Court will exercise lenity towards Mr. Jones, in not charging the interest as already mentioned. We would likewise recommend, that in all cases of default that may occur in future, in relation to the payment of taxes collected, that the Justices of the Inferior Court pursue the letter and spirit of the law, in such cases made and provided, by laying on interest at the rate of 25 per cent. per annum, and not an interest of 20 per cent. alone, whether the default continue six months or six years—thus giving a Collector who may see proper to keep from the county its just dues six years, the advantage over one who may only be able to retain them for six months.

We would recommend as a body, to our fellow-citizens, the propriety of holding an election on the first Monday in November next, for two Delegates to represent us in the contemplated Convention to be held in Milledgeville, on the second Monday in November, to take into consideration, measures of redress against the grievances of the Tariff.

In conclusion, we would observe, that we have requested the Treasurer of the County to bring up his books for an examination before this body, giving him his own time to do it. When the books were demanded, he wholly failed and refused to give them up. Upon this subject, we can but say, that the course pursued by the Treasurer of this county, in relation to this matter, is strange and inexplicable, and evinces to our minds, that he purposed in the outset to treat this body with entire contempt. To the public we would only say, that inasmuch as we have been refused an investigation of the books of the County Treasurer, that we deprecate such conduct, and cannot advise you of the condition of our money interest—we are not able to say whether the county is in debt or out of debt, and hope that in future, no such conduct will ever be exhibited towards another Grand Jury of Coweta county.

In taking leave of his honor Judge COLQUHITT and the Solicitor General, we present them our thanks for the polite attention to this body during the present term.
