cyclopedias state that rifles were invented before the year 1600. I suppose rifles as now used are a recent invention.

I am very glad to receive fair criticism. Very likely I shall make blunders, and shall be glad to correct them. I take a good deal of time getting up facts, but I have not the time to give literary finish to what I wrote. It was printed from my first draft with the exception of an occasional page which is rewritten. It is the only condition on which I can write these articles at all, so everybody must excuse imperfections, as I am putting all these facts down, only to preserve the history of Wilkes county. I have nothing. In fact, I may lose in credit, for if the facts about the country carry my memory a little further, I may go down as a slipshod writer.

## THE SETTLERS

When George Walton, signer of the Declaration of Independence, came again in 1785 to hold court in Wilkes he was struck with the increase in immigration since peace, as he had been previously with the "astonishing rapidity of settlement." He uses even stronger language than ever before. He speaks of "this county in which there is such a prodigious influx of inhabitants," and "of the rage which has taken place in the northern and neighboring states of removing into this."

The old records in the office of Ordinary give us the names of grand jurors, petty jurors, and in many cases of witnesses. These bear out George Walton's words and show also the very fine class of immigrants which the county was receiving. Among the persons whose names we find prior to 1788 are George Lumpkin, John Rutherford, John Hill, Thos. Ansley, Nathanael Howell, Thomas Wootten, Burwell Pope, John Lindsey, Frederic Sims, William Pollard, Wm. Morgan, Cornelius Cohron, Thomas Branham, John Nall, Henry Mounger, John Wingfield, Benjamin Taliaferro, Nathanael Christmas, Job Callaway, Jacob Early, Wm. Glenn, Walker Richardson, Benjamin Joyner, Reuben Saffold, Jas. Findley, Curtace Welborne, Samuel Creswell, James Anthony, Wm. Terrell, George Mathews, John Talbot, Daniel Grant, Thos. Grant, Wm. Boren, John Armstrong, Sanders Walker, Nicholas Long, David Merriwether, Thomas Welborn, Micajah Megahee, Thos. Carter, Spencer Crane - Pharr, James Jack, Garland Wingfield - Cuthbert, Thos. Napier, Wm. Moss, Capt. Lipham, Horatio Marbury, John Barksdale, Henry Pope, Chas. Tate, Henry Gibson, Francis Merriwether, James Marks, John Pope, David Lowry, Thos. Wingfield, Wm. Stokes, Wm. Gilbert, Daniel Mills, Edward Butler, David Hillhouse, Micajah Anthony, John Pope, Jno. Chandler, John Cain, Elizabeth Darden, Gabriel Toombs, William Toombs, John Stephens, Williamson Bird, George Willis, Humphrey Burdett, Chilton Hitson (or Eidson) Joel Hurt, Pressly Rucker, Wm. and James Sansom, Wm. Head, Alexander Cummins, John Callier, Joseph Wilson, Sampson Harris, Anthony Poullain, John Colley, Philip Combs.

Of course the names that get into records show but a small part of those who came. But this list, to the older people who have known this and the neighboring counties, tells us much of the number and character of early immigration. I will a little further on say a few words in elucidation of it to others. The rapid influx makes us understand why, about the first business that came before the courts when they were held in 1782 was the licensing of Thomas Carter's Ferry. Ferries were especially needed, for the ancestors of more than half of our present Georgia, Alabama and Mississippi were coming across the Savannah river on the roads leading from the northeast through old Wilkes county. The people living in Carolina and Georgia at the junction of Broad River with Savannah, got such grand ideas in their heads that the names of Carolina town, Vienna the Elbert county town in the fork St. Petersburg; the Lincoln county town, Lisbon. These were magnificent names, and when one crosses the river at the point now, there are a few old houses,

HUSBAND Abraham WOMACK-758

NOTES:

Monroe county, Georgia borders Jones county Georgia to West. Will book A, pg. 70, copy sent to me from client's cousin, Stephen Kirk in mail, also an obit notice from a Baldwin county, Ga. newspaper about death of Abraham Womack and his date of death and approximate age at that time of 90/91. Will says one approximate age and obit a variance of one year, but close enough not to be serious. Daughters name not given in will but his grandchildren through her with Kirk surname are cited. Executors of will Charles Womack and Wilkins Hunt. Will probated 5 May 1834. Wife Lucy cited in will. Harris county, Ga. Court of ordinary records, film 327541, pg. 414 matters having to do with guardianship by William Kirk for minors Stephen and Levi Kirk. rec'd 1 Jan 1834 from A. J. Hunt sale of land belonging to estate of Stephen Kirk, dec'd \$112.00. Received of Charles Womack, executor of estate of Abraham Womack, dec'd \$200.00, 1 Jan & 15 May 1835. Received of Wilkins Hunt, admsr., on estate of Ann Kirk, dec'd \$300.00, sworn 4 Jan 1841. Jones county, Ga. deed bk. Rev. war Pension Abstracts, vol III, #973M28g, pgs. 3923-3924 Abraham Womack, N. Car. line, wife Lucy, soldier lived in Chatham county before & after revolution. On 1 Jan 1786 moved to Hancock county, Ga, to Jones county before 1825 and to Monroe county after 1825. Died 10 April 1834, abt 90 yrs old, marr. Lucy Moody 8 May 1825, Jones county. IGI Virginia, computer #5000391 sheet 28, Abraham Womack born 22 April 1742, son of Richard Womack and Nancy Ann Childers, good possibility for this man approximate age only a year different. First wife mother of his children. 2nd wife, Lucy, had no children, she was 44-1825, married Abraham 8 May 1825 in Jones county. We don't have any clues so far as to name of first wife, though I have searched extensively in deeds, court abstracts, tax lists, probates in Georgia. However a thorough study of deeds in Chatham might give us a clue as to who the wife might be, hopefully mentioned in a deed before they left to move to Georgia?

In addition to children and son in laws cited. ages of children approximate, last five children are listed in will as five youngest children. With rev. var deposition of another Abraham Womack who enlisted from Chatham county, N. Car. and was in Hancock county in 1786, who died in Monroe county, Ga., We have two Abraham Womack's coming from N. Carolina and Virginia into Georgia early. This Abraham is shown in IGI as marrying in Granville county, N. Car. which borders Virginia on 31 March 1763 computer batch numbers 8801506 sheet 55 and 811566 sheet 57, daughter Cisley Womack's marriage in Caswell 22 Jan 1787 to James H. Pg. 8 Abraham Womack wit: to deed March 1792 Wm. Boren of Wilkes to Robert Bryan of Green county, land Greene county on Powell creek. This man probably born to one of many Womack families in early Virginia records, then moved into bordering county of Granville and went further west from there. One of his daughters married in Caswell and this is proven to be his daughter from the married name of her husband matching the marriage earlier in Caswell. This man close in age approximately to your Abraham and living for a time in same county in Georgia but your Abraham died later in Monroe county, Georgia. Both of these Abrahams are close in age and both were in N. Carolina previous to coming into Hancock county, Ga. Since they are close in age, they may be cousins??

His will dated 31 Oct 1817 prv'd in November 1817 indicates that a son Peter Gray was in Jones Co. Ga. by 1821 when the estate was settled in deeds. Daughters Elizabeth, Godetha, and Rebecca listed in the will. Rebecca in 1817 was married to John Peele Jr. and had children Charlotte and Peggy. Since Peter Gray was in Jones Co. Ga. by 1821. Levi Kirk and Rebecca Peele were married in Jones Co. by 1826. I have found no other Peele family with a Rebecca in it. except the two references stated.

WIFE Rebecca GRAY-34

NOTES:

First Husband, John Peele Jr.; widow by 1832. Married Levi Kirk in Jones Co. Ga. 14 Mar 1826. Jones Co. Ga. deeds show no Peeles. Tax lists in Jones Co show no Peeles. Probate records for Jones Co. show no Peeles. A search of census records from 1820 to 1850 in Jones Co. show no Peeles. Jasper Co. Ga. records were also searched Jasper Co. deeds Bk A pgs 670-671 on film 158497 William Peele 21 Jan 1827 sells to James Pon. This is only early Peele reference in Jones Co. or a bordering Co. in the 1820's.

A Rebecca Gray, dau. of Benjamin Gray and Molly is listed in Bk. Edgecome Kinfolks No. Car. Bk. # 975.641rtw pg 487 in an estate settlement of Benjamin's land. In the settlement Rebecca's husband is listed as John Peele Jr. In Benjamin Gray's will 31 Oct 1817 prv'd Nov 4 1817, Edgecombe co., N. Car., Bk. 975.646p2wr pg 142, children Peter Gray, Elizabeth wife of Abel Brown, Goditha, and Rebeckah, wife of John Peel Jr. are cited. Granddaughters Charlotte and Peggy Peel are cited also. By the time of above cited settlement in 1821 the son, Peter Gray is living in Jones county, Ga. This puts Peter Gray, brother of Rebeckah Gray Peele/Peale in Jones county in 1821 just a few years before marriage of Rebeckah Peele/Peale to Levi Kirk in Jones county. I feel circumstantially this may be your connection but couldn't find marriage to prove it for certain of the John Peele Jr. to Rebeckah Gray in Edgecombe or bordering counties in N. Car.

HUSBAND Richard WOMACK-790

NOTES:

This is a work sheet and is not meant to be complete or connections from generations to generations necessarily accurate. Records in Henrico county need to be searched to see if the Richard b. 1710 is the same Richard with wife Nancy Ann Childers who had the son, Abraham born 22 April 1742 in Henrico, Va., computer batch 5000391-sheet 28. Torrence's Virginia wills and Administration index 1632-1800, pg. 467 shows Rich'd Womeck 1684 inventory, Henrico and Richard Womack, administration 1730, Henrico. None of those would be a Richard with a son born in 1742 with both dying before 1742. IGI Richard Womack b. 7 Dec 1710 Henrico, parents Richard Womack, Elizabeth Puckett, index 1988, may or may not be same Richard who had son born in 1742, but is closest Richard to right time frame to be Abraham's father, age 32 when Abraham would be born.

Married Wilkins Hunt 22 Feb. 1825 Jones county, Ga., History of Jones county, Ga. #975.8567H2w, pg. 851. Jones county, Marr. abst. say Wilkinson Hunt with same date (975.8567Vv2i), pg. 00029. No Wilkins or Willis Hunt in Jones, Monroe or Harris counties. If Wilkins/Willis had a middle name of Harris, then this couple might be Lucinda (Lucy) and her family, otherwise not right family. If so then Lucinda would be a few years younger than my approximations with a birth calculated age from 1850 census of 40-1850, born abt. 1810. This is within the realm of possibilities since there is only a difference of about 6 years from my approximate date. Harris county, Ga. court of Ordinary records, pg. 414 received 1 Jan 1834 from A. J. Hunt for sale of land belonging to estate of Stephen Kirk dec'd, \$112.00, rec'd of Charles Womack, executor of estate of Abraham Womack, dec'd, \$200, 1 Jan and 15 May 1835, rec'd of Wilkins Hunt administrator on estate of Ann Kirk' dec'd \$300.00, sworn to 4 Jan 1841 in reference to guardian records of orphans of Stephen Kirk administered by their guardian, William Kirk.

Married Alexander J. Hunt 16 June 1831, Jones county, Ga. Jones county, Ga. deed bk. Hunt and Thomas Hunt. Jones county, Ga. deed book O, film 470018, pg. 352 Levi Kirk sells to Alexander J. Hunt, tract of land in 10th distr. of Jones, half of lot #30, containing 101 1/4 acres, known as McGough place, adjoining William Hunt and John Thomas, wit: William Barren, Thomas Hung, 12 Nov 1830. Alexander J. Hunt pg. 199, 1850 census Jones county, Ga., film 007071. Alexander 43 or born about 1807, wife Lucinda M. 28 or born abt. 1822. Oldest child William B. 16, is a student and no doubt son of Alexander's first marriage to Louisa Kirk, born abt.

1834. Next child in 1850 census for Alexander not born until 8 years later, Thomas J. 8-1850 or born 1842, therefore he and younger children likely to be from 2nd wife, Lucinda M. and not this mother. Therefore, sometime between 1836-1839 first wife Louisa must have died, as Lucinda M. in 1850 census too young to be Louisa Kirk. Jones county, Ga. will bk C, film 454232, pg. 32/3 Alexander J. Hunt will mentions wife and children as they come of age or marry. Since oldest son would have been of age by date of will 1 Feb 1848, he either had died or moved on by then and wasn't mentioned with children by his 2nd wife. Will proved 7 Feb 1853.

Client's cousin Stephen Kirk sent him data from tax rolls and land draws for Stephen showing him on tax roll 1804, Ga. land lottery 1805 Hancock county, then listed Jones Co. ref. Baldwin distr. 1808, 202 1/2 acres, Stephen Kirk. Hancock county, Ga. inferior court records, 222100, pg. 17 24 June 1795 Stephen Kirk on jury, pg. 20 Stephen Kirk, overseer of roads, pg. 143 replaced as overseer of roads. No early census before 1820 to show if this Stephen had children by wife, Elizabeth McClendon. However, if this Stephen is same Stephen as the one who married Anna Womach/Womack, then he would have been considerably older than her approximate age in 1830 census after Anna's husband had died and his estate had been settled. If this Stephen is not the same Stephen then we could have two in the area of Hancock early. I have definite deeds for the Stephen and Anna in two other counties, see my bibliography with that Stephen's family sheet.

WIFE Elizabeth MCCLENDON-800

NOTES:

IGI reference for Georgia shows this lady married to a Stephen Kirk. Nothing to prove this one way or another from the submission. However with Stephen Kirk living on bordering properties to Joel McClendon and that being her father is is certainly logical that she could have married a neighbor or they could have moved from another state to Georgia together? However, a check into the early will abstracts for North Carolina and deeds failed to prove this at this point. Joel and Stephen had adjacent lands in Wilkes county and Hancock county, Ga. deeds. No will in Georgia for Joel McClendon. There is no evidence that this couple had any children. Hancock, Jasper, Jones, Monroe and Wilkes county, Ga. marriage records were searched without locating this marriage.
