John Winborne, Sep court 1805. Superior court deeds, Hancock county, Ga, book H, on film 0222013, pg. 62/3 William Thompson sells to Isaac Kirk, 300 acres on waters of Beaverdam in Hancock. pgs. 541/543 Heirs of Isaac Kirk Dec'd selling to Henry Colquett, land he had bought in Hancock county, Ga., 20 Dec 1805. All heirs from Halifax county, N. Car. This proves that the early Hancock county, Ga. deed for an Isaac Kirk was from a man who lived in Halifax county, N. Car. This is signifigent in that the Stephen Kirk who married the Elizabeth McClendon was in the same county at the same time these two sales were going on in Ga.

Since not all of the names of Isaac's heirs are known because there were many more than the three daughters who sold his land in Hancock in the 1790 census. The 1790 census showed a male over 16, 4 females; 3 males under 16, so a large family. This Isaac in same area part of time as older Stephen in Halifax, Orange counties early in N. Car. This is a work sheet, searched a lot of sources but am lacking names of rest of children to make this a more complete sheet from evidence searched in original probates, deeds as well as printed books. No early church records to help. County history didn't show anything on family.

Client's Stephen in Georgia at that time and an adult in 1791, having children born in early 1800's. Stephen, of John, is too young for our needs, but family certainly has a lot of same names as in your ancestral families. note that this John emigrated in 1762 on internet data shared with me from client.

WIFE Mrs. Mary-969

NOTES:

Stanely county, N. Car. Gen. Society Journal, Vol. #II, pg. 56 abstracts, Stephen Kirk Bible records, also giving names of his parents as well as his wives and children. His mother's given name given in Stephen's bible record and her date of death, but no maiden surname or date of birth. She is reported to have had 13 children. Much records destruction in Montgomery county, N. Car. records so we are missing possible marriages on her children, etc. Stephen Kirk lists the names of his siblings and some of their death dates and ages at death to calculate therefore, their birth dates.

There may have been other children but proof or circumstantial evidence is lacking. DAR submission sent to me by Stephen Kirk submitted by Lela Grimes Henson does show an Alexander Parham Kirk born 13 Apr 1776, son of Lewis Kirk and Sarah. Halifax county, N. Son John listed first in his father's will but not listed with 4 children who are cited as being oldest in family?

CHILD 6 Parham KIRK-1013

NOTES:

Orange county, N. Car. will abstracts, #975.6565P25a, pg. 44 Lewis Kirk will doesn't cite a son, Parham, however, Orange county deed boook 5, film 0305926, pg. 304 Lewis Kirk to James Kirk, his son, wit: Parham, Kirk, John Oliver, pg. 311 Lewis Kirk to Parham kirk for 5 shillings land on Tom's creek, 190 acres east of William Kirk's corner, wit:John Kirk. With Parham being sold 190 acres for 5 shillings I tend to think that this is another son of Lewis's. Date in 1794 would be about time of Parham reaching his majority. further he is witnessing other family needs and helping to prove deed sales in family. DAR lineages by Lela Grimes Henson shows Lewis Kirk with wife Sarah and children James, and Alexander Parham Kirk born 13 Apr 1776, DAR reference sent to me via corres. with Stephen Kirk. Further the DAR submission shows an Alexander Parham Kirk as a son of Lewis and Sarah Kirk submitted by a descendant to DAR.
