My research has shown that her husband appears on court records with her father in 1780's, so think they are older than this.

**About FamilySearch Pedigree Resource File:**

The Pedigree Resource File is a new lineage linked database of records available on compact disc containing family history records submitted by individuals through FamilySearch Internet Genealogy Service. Family information is organized in family groups and pedigrees and includes submitted notes and sources. Many charts and reports can be printed from this data. Each disc contains about 1.1 million names. With the publication of every five discs, a master index for those discs will also be published and packaged with that set of discs. Discs may be purchased individually or as sets.

**Please Note:**

Submitter information is provided to help in the coordination of personal family history research. Use of this information for any other purpose, including marketing, advertising, or commercial solicitation, is strictly prohibited.

The Pedigree Resource File is a new lineage linked database of records available on compact disc containing family history records submitted by individuals through FamilySearch Internet Genealogy Service. Family information is organized in family groups and pedigrees and includes submitted notes and sources. Many charts and reports can be printed from this data. Each disc contains about 1.1 million names. With the publication of every five discs, a master index for those discs will also be published and packaged with that set of discs. Discs may be purchased individually or as sets.

This birth date has to be off with Stephen being on land records in Wilkes county, Ga. in early 1780's with his father in law, Joel McClendon?

**Submission**

Elizabeth McClendon

born abt. 1775

parents Joel McClendon Jr. and Lucy Baker

film ref. 451034, Ref. # on film 1350,

or same data on Elizabeth on film 456310

My research has shown that her husband appears on court records with her father in 1780's, so think they are older than this.
